

Driven To Deliver Impactful IR Solutions

**WESTERN
AVENUE
ADVISERS LLC**

About

Western Avenue Advisers LLC (WAA) is a full service investor relations (IR) advisory firm for public and soon-to-be public companies. Established in March 2024 by Bob Burrows, WAA operates as a sole proprietorship, drawing on Bob's experiences over 25 years as a seasoned investor relations professional across a variety of industries, including life sciences, biodefense, contract manufacturing and development, genomics, contracted research, assisted and senior living, mezzanine finance, real estate investment trusts, and business development companies.

Mission

At Western Avenue Advisers LLC, our mission is to empower companies to significantly improve their engagement and communications with key stakeholders, including investors, analysts, bankers, employees, board members, creditors, vendors, and regulators. We commit to delivering clear, impactful, and actionable advice, underscored by a profound appreciation for value creation and optimizing return on investment.

Methodologies

WAA offers specialized advice and hands-on support through two methodologies:

ADVISORY AND INSIGHTS

Providing additional insights and oversight, effectively augmenting existing investor relations, marketing communications, and finance teams.

TEAM MEMBER

Serving as an integral component of the senior IR, marketing communications, and finance teams, thereby ensuring comprehensive and seamless operational efficiency.
